Halloween Playdoh/manipulative letter mats

This is a fun activity students can do to practice letter formation and letter recognition.

Print the cards on cardstock for greater durability and laminate.

Directions:

Using Playdoh: Students pick a letter card, roll playdoh snakes, and form the letter with the playdoh.

Using Manipulatives: Students pick a letter card and place the manipulatives on the letter. Mini erasers or small Halloween manipulatives would be super fun to use.

Using Dry Erase Markers: Students pick a letter and trace the letter using a dry erase marker.

Optional recording page.

PLAYdoh Recipes

basic playdoh

What you Need:

2 cups of flour, 1 cup of salt, 4 tsp. of cream of tartar, 2 cups of water, 2 Tbsp. of vegetable oil, and food coloring or liquid watercolor

How to Make it:

Measure and mix all ingredients together in a saucepan off the heat until all the clumps are gone. Put it on the stove and set it to a medium heat. Continuously stir the mixture. When it pulls away from the sides of the pan and forms one large ball, it is done (if any of the dough is sticky it needs to cook a bit longer). Let it cool. Knead the dough and have FUN! Once completely cooled, store the dough in an air tight bag (no need to refrigerate).

food coloring tricks

What you can use:

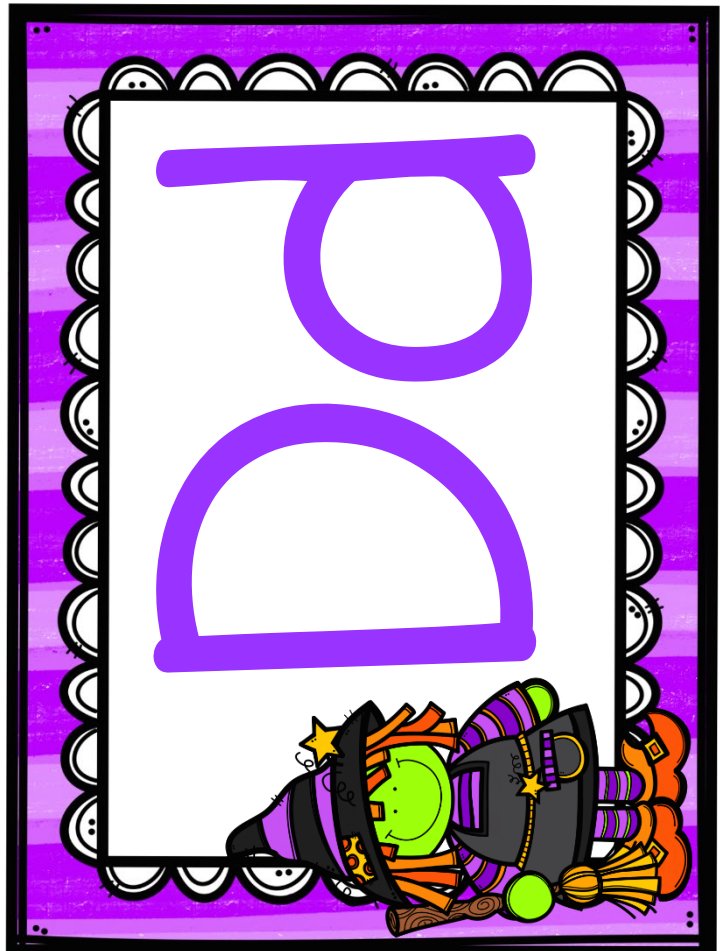

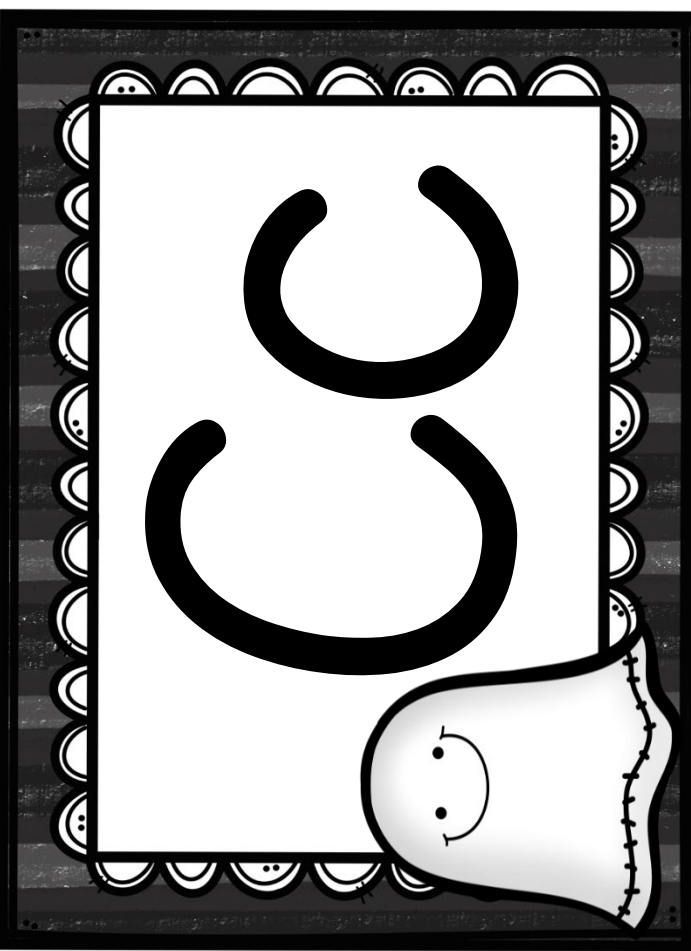

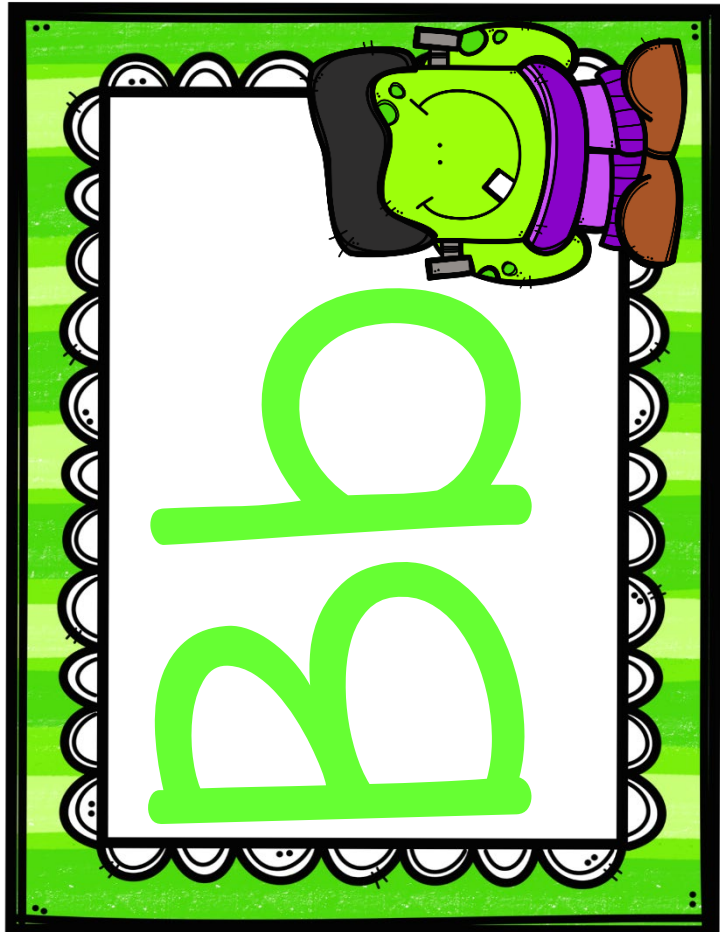

- Food coloring (sometimes the Dollar Tree has it)
- Liquid watercolor
- Gel food coloring
- Kool-Aid

Spider Web letter & sound match

This is a fun activity students can do to practice identifying letters and sounds.
Print the cards on cardstock for greater durability and laminate.

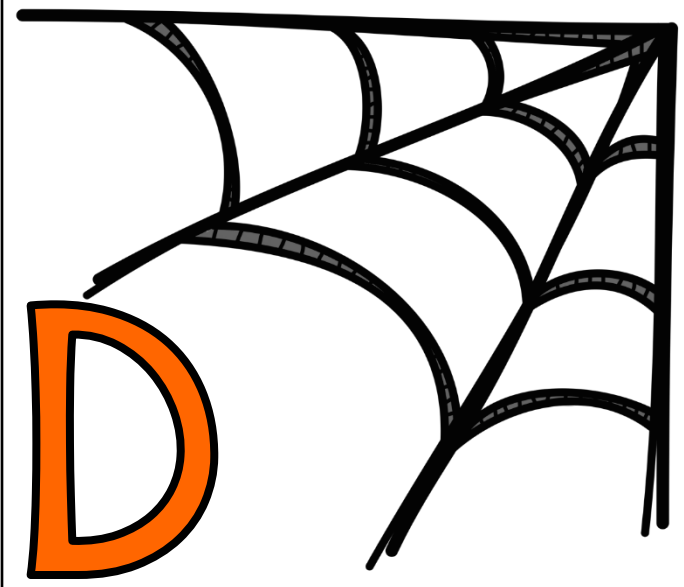

Directions

Students identify the letter and find the letter that matches. Then find the object that has the same beginning sound. Do this activity at a lower level by just matching the letters.
Optional recording page.

Pumpkin letters

The activities you can do with pumpkin letters and sight word cards are endless! There is a blank word card page for you to write your own sight words on. Optional student recording pages included.

Here are a few things I do with them.

- Line the pumpkin letters up in ABC order.
- Build words (use included Halloween word cards).
- Build friends' names and write in a hair gel baggie (baggie filled with hair gel and taped closed).
- Line the pumpkin letters up in ABC order and match letter manipulatives with the matching letter.
- Line the pumpkin letters up in ABC order and find items in the room or sound manipulatives that begin with that sound.
- Students pick a sight word card (included) and build it with the pumpkin letters.

monster race to 10, 20, or 50

Copy the boards (color or blackline) and use dot markers or manipulatives to play this game. My kids LOVE to take home their finished boards to show their families!

Copy on colored paper and laminate. Students can use counters, mini erasers, eyes, or bingo chips to cover their boards.

How to Play:

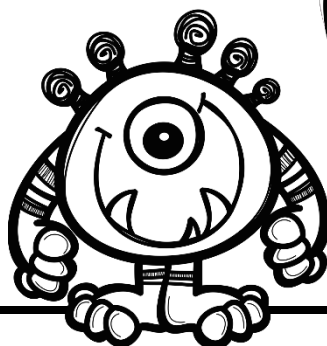

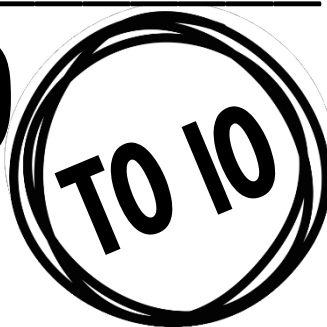

Counting: Students take turns rolling one dice and dotting the corresponding number on their board. They keep playing until their board is full.

Adding: Students take turns rolling two dice, adding the numbers together, and dotting the sum on their board.

Halloween Patterns

Patterns! For this fun pattern activity, students can extend and create their own Halloween patterns.

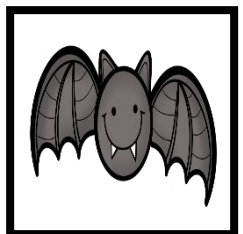

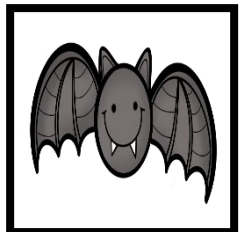

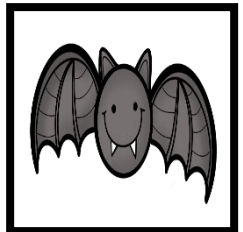

Print, laminate, and cut apart the pattern pieces and the pattern strips. Students use the pieces to extend the patterns and then create their own patterns.

Included are 3 different Build A Pattern pages for you to choose from. Students can use the pieces or draw their own pattern.

Optional student recording page included.

candy numbers

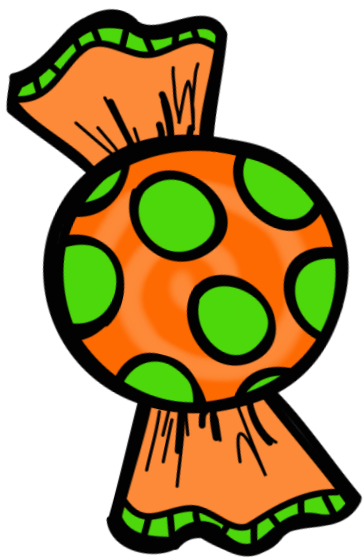

Write the room

There are so many fun activities you can do with these candy letters. Be creative and have fun!

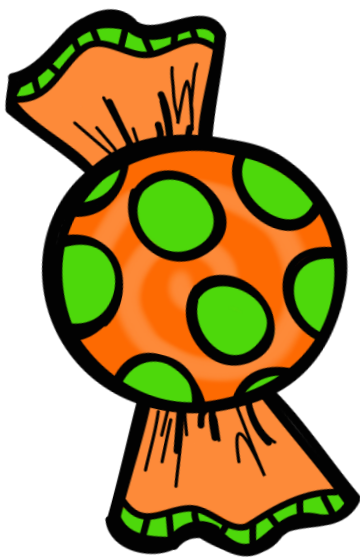

Place the cards around a center and student can write/trace all the numbers they find. An active way to practice & learn! You can have students write their own numbers or they can trace them.

You choose what is best for your students.
For a fun twist, hide the numbers in a sensory table or tub!

Witches' Brew, Count it!

Print and laminate the recipe cards.

You can find most of the items in the party section or at a dollar store. Mini erasers will work too!

Manipulatives needed:

- Spiders (I used spider rings)
- Eyeballs
- Pumpkins
- Vampire fangs
- Bats
- Bones (I used Q-tips)
- Cauldron (or any pot)
- Spoon

How to Play:

Students pick a recipe card. Students identify the number and count out the corresponding amount. After the recipe is complete mix then put the items back in the tray.

Ways to Differentiate:

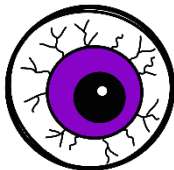

- Use recipe cards with numbers up to 5
- Use recipe cards with numbers up to 10
- Use blank recipe cards and have students write their own numbers on the cards
- Use recipe cards (1-5 or 1-10) then have students add the items using the add it mat!

Pumpkin craft

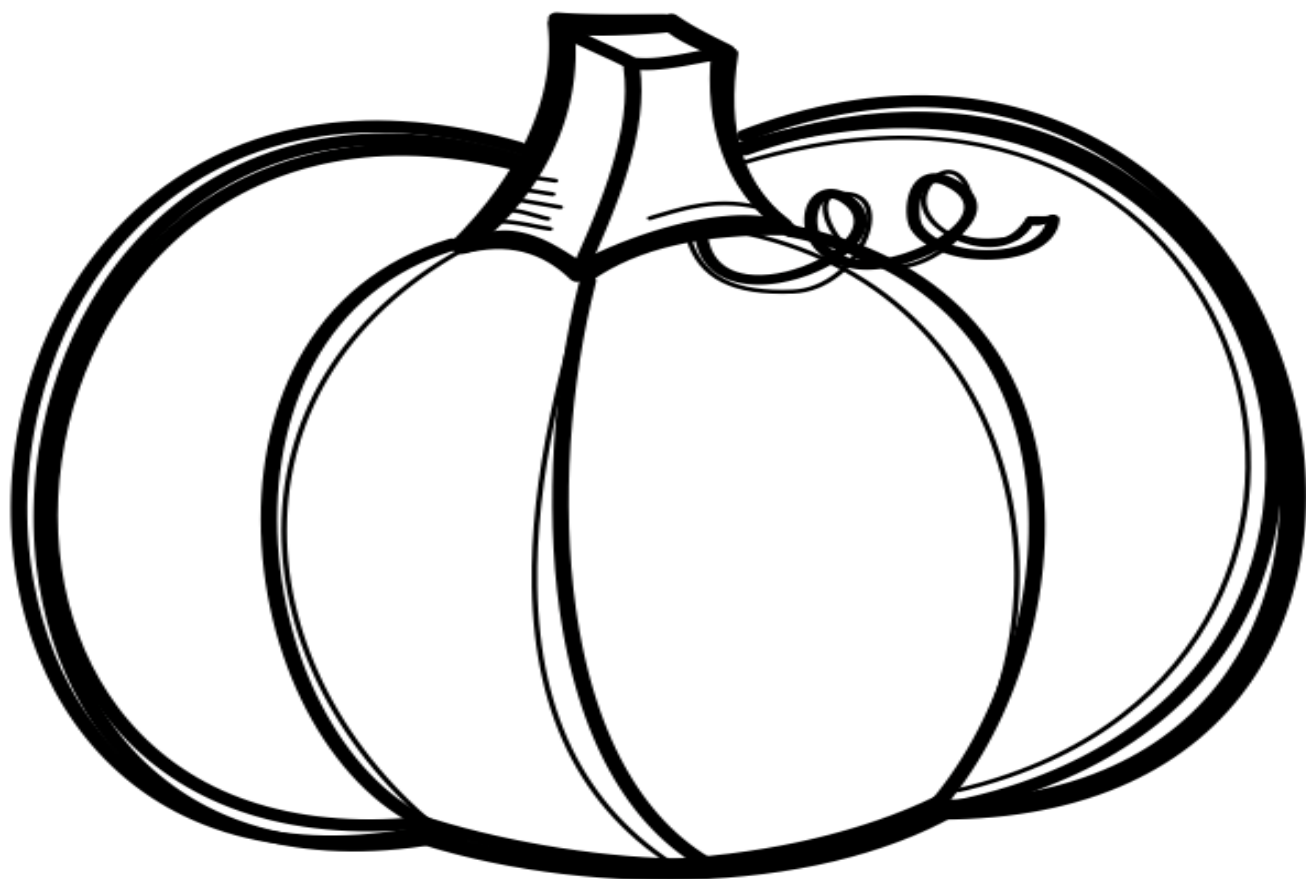

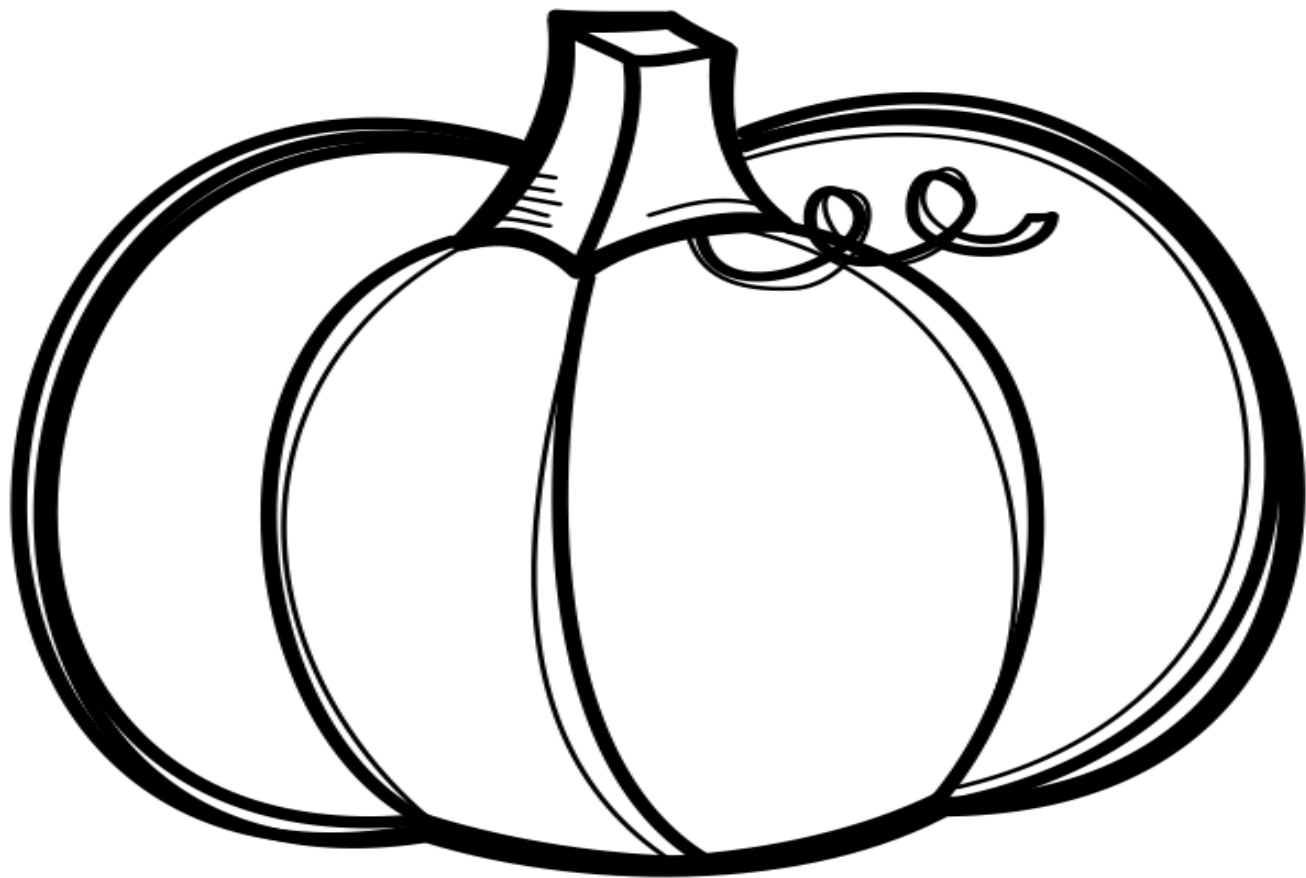

Students can create a fun pumpkin craft and build fine motor at the same time. There are so many ways you can do this craft. Choose what works for you or come up with your own idea!

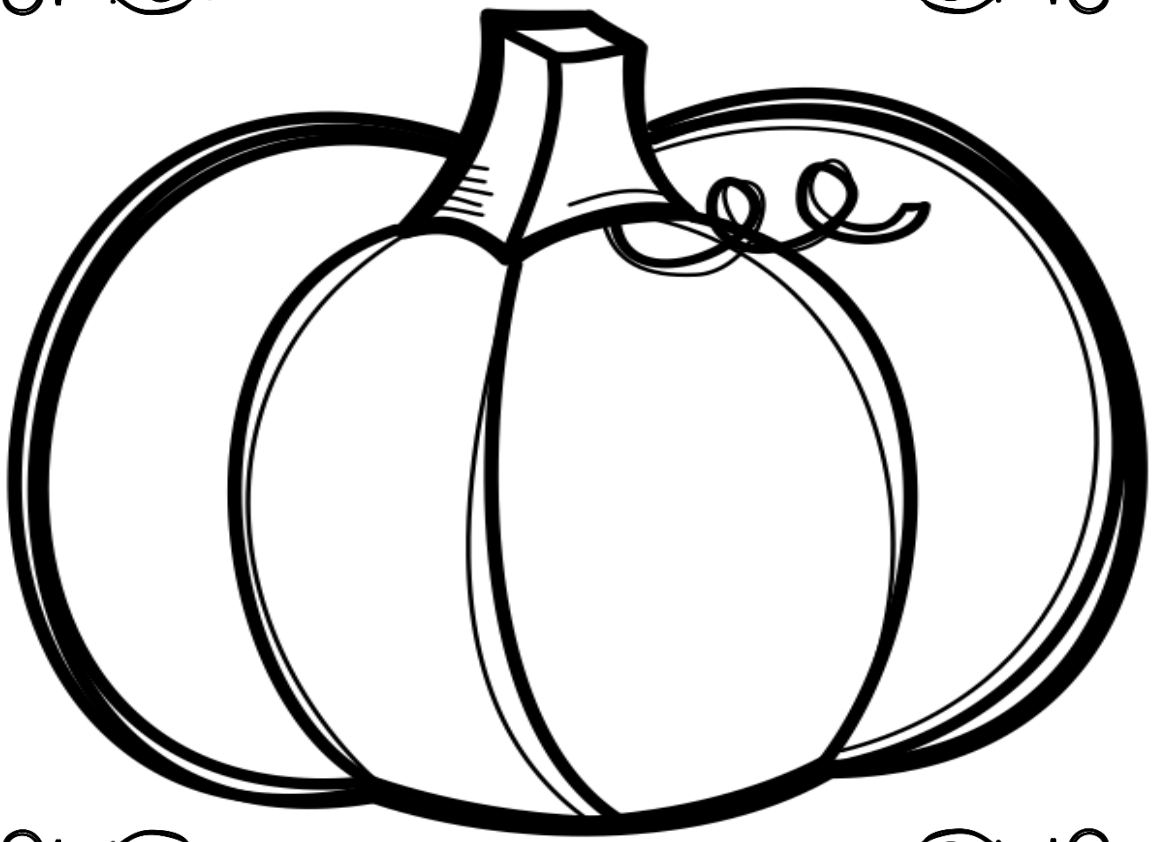

Print on white or colored paper. If you want to practice cutting skills, you can have students cut out the pumpkin.

- Tear paper to create a torn paper collage. Use pattern scrapbook paper for added fun.
 - Cut orange paper to create the collage.
- Use different patterns of washi tape to create the collage.

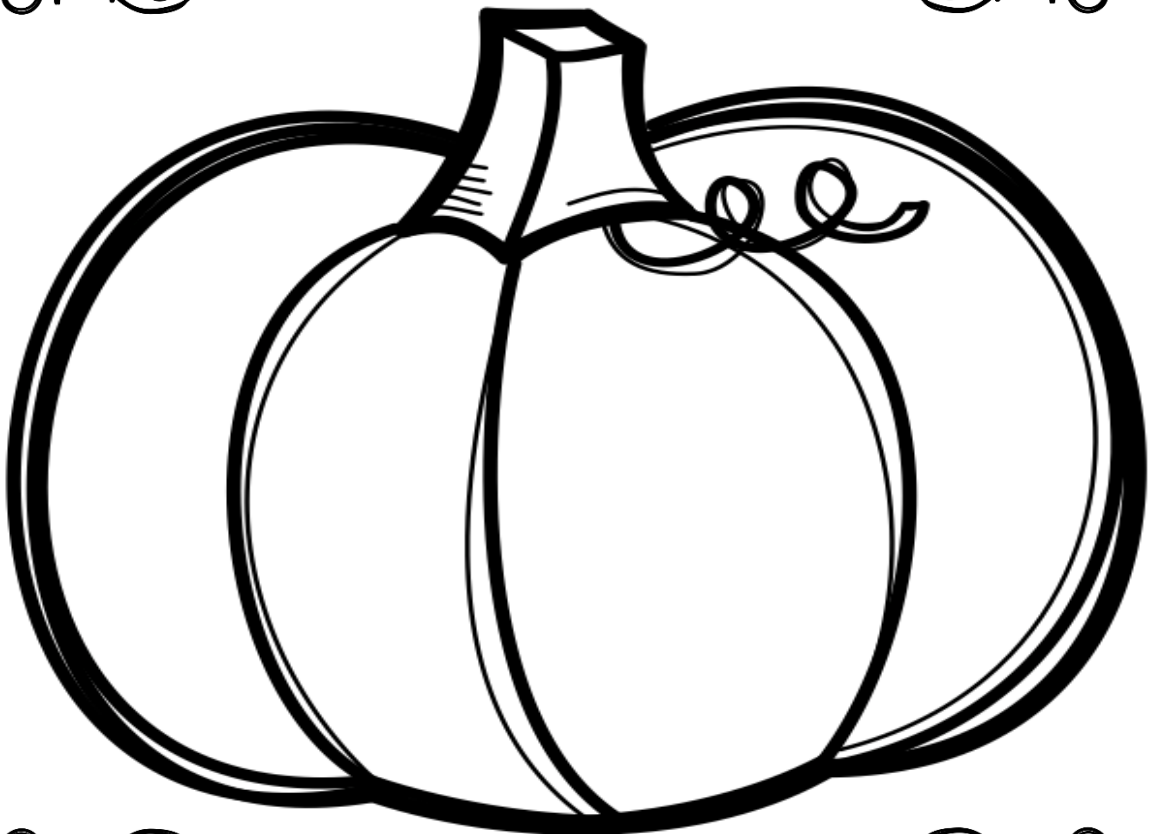

Copy on colored paper or on white paper. Cut the page in half so each student can have 1 pumpkin to cut out.
