BE WISE AS A SERPENT

Hos 4:6 – My people are destroyed for lack of knowledge

Jesus warned us to be ...

“wise as serpents
and gentle as doves”,

yet few understand what that actually means. How can one be wise as a serpent but not understand the enemy? It is not possible.

The Bible is full of metaphors and symbolism. Most Christians would agree, there is an answer in the Bible for just about everything. Many advanced Bible teachers explain that some things the prophets saw in their visions had to be explained with “terms” the writer understood. Yet Bible teachers today often do the same thing. Some suggest that “locusts” might be helicopters. But “what if” they are referring to something else? Is it not reasonable to prepare yourself for the “unexpected”?

Let’s examine Zechariah 5:1-3

I looked up again and saw a flying roll. The angel asked me, "What do you see?" "I see a flying roll," I answered. "It's 30 feet long and 15 feet wide." 3 Then he said to me, "This is a curse that will go out all over the earth.

Why do you suppose this “roll” or “scroll” was flying? Why were the dimensions described so clearly? Was it really a scroll? There are many terms used in the Bible to describe visions seen by the prophets that many teachers struggle to explain even today.

2 Thess 2:3, 9, 11

3 Let no man deceive you by any means: for that day shall not come, except there come a falling away first ...

9 Even him, whose coming is after the working of Satan with all power and signs and lying wonders,

*11 And for this reason God will send them **strong delusion**, that they should believe **the lie**, that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.*

Taboo Christian Subjects

There are certain realities that most Christians prefer not to discuss. Christians typically do not like to discuss dinosaurs and 50,000 year old meteor craters such as the one at the Arizona Canyonlands National Park. Many Christians enjoy watching television shows such as “UFO Hunters” and “Ancient Aliens” on the History Channel, but they prefer to keep the information tucked away as some kind of “science fiction”. But GOD created science, did he not?

Rather than searching the scripture for the mysteries hidden in the Bible for the answers, we tend to just “wave off” the subject, even to the demise of our fellow man.

Is it not our duty to save souls for the Kingdom?

Is it not our duty to be able to talk about these subjects and map them back to scripture?

Aren’t we suppose to save even the Scientists?

What About These Verses?

Dan 2:43

*“they shall **mingle** themselves with the **seed** of men”*

Question: Who are “THEY”?

Luke 21:26

... men's hearts failing them from fear and the expectation of those things which are coming on the earth ...

Question: What “**THINGS**” are “coming on the earth, and why are men’s hearts failing?”

Luke 21:28

Now when these things begin to happen, **look up** and lift up your heads, because your redemption draws near.

Question: Why are we told to “look up”? Our redemption draws near, but it is not yet. What are we looking up at?

The Great Falling Away

The great “Falling Away” will happen as a result of a massive UFO invasion or “disclosure”. The beginning of the Great Tribulation is marked by their appearance in large numbers. Daniel 9:27 marks the beginning of the Great Tribulation in the middle of the week.
