

THE FOUR SEASONS

LW

© www.mothergoose.com

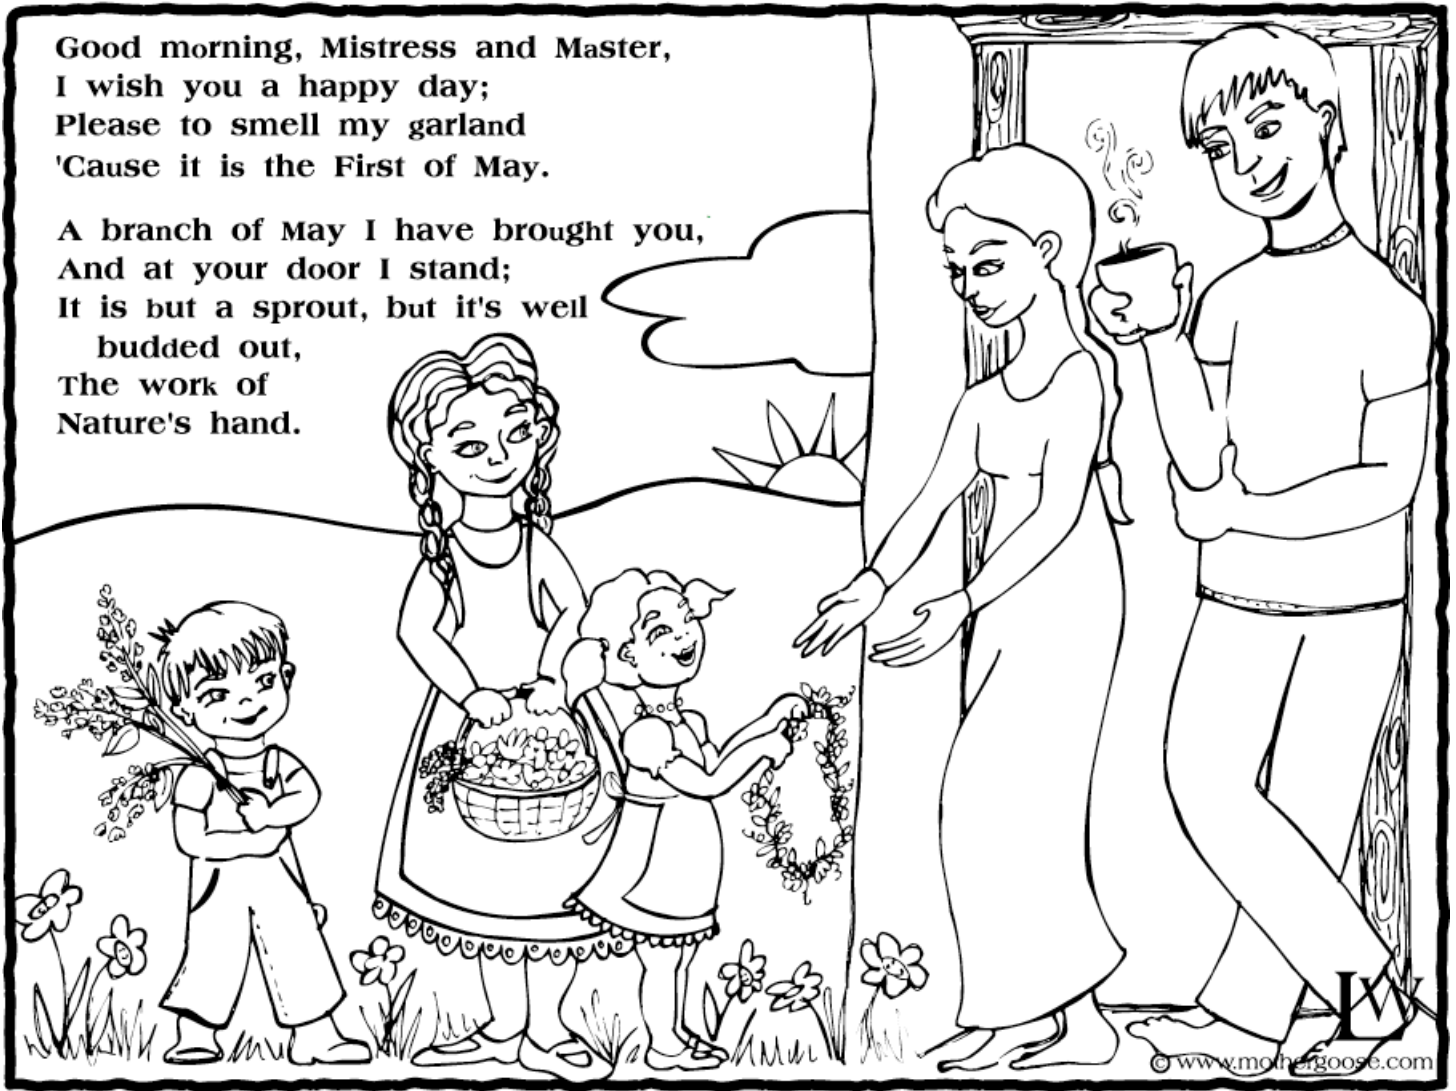

Make a book or a four panel screen.
Then color the pictures.

Good morning, Mistress and Master,
I wish you a happy day;
Please to smell my garland
'Cause it is the First of May.

A branch of May I have brought you,
And at your door I stand;
It is but a sprout, but it's well
budded out,
The work of
Nature's hand.

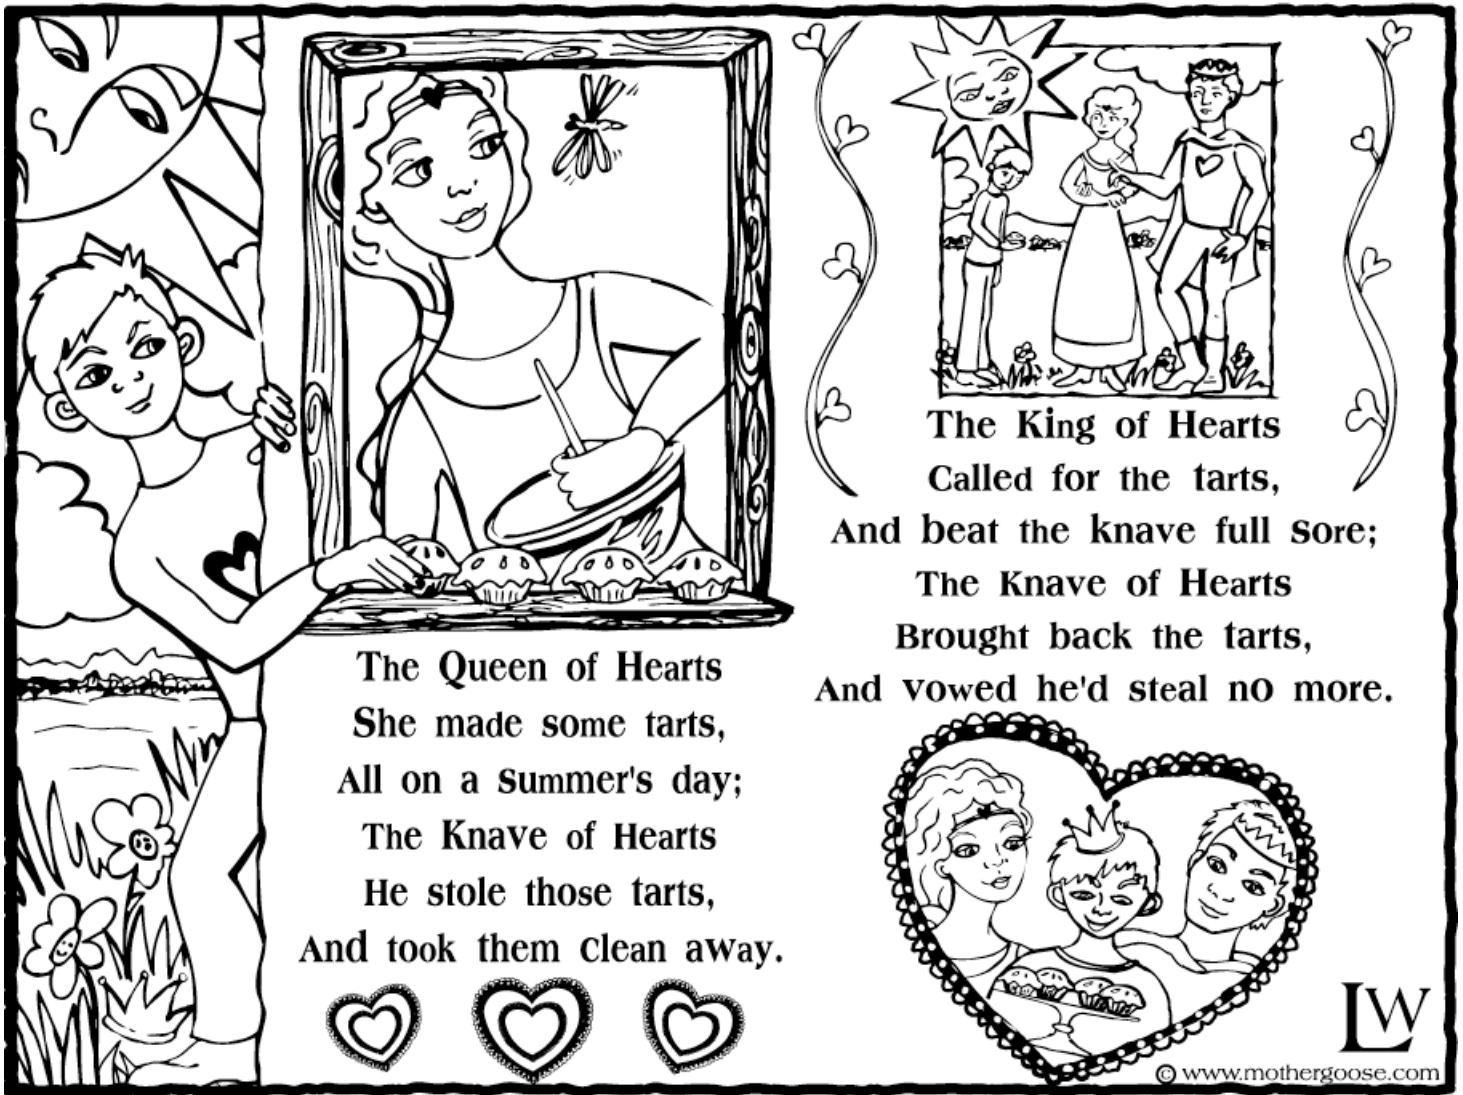

SPRING

To make a book:

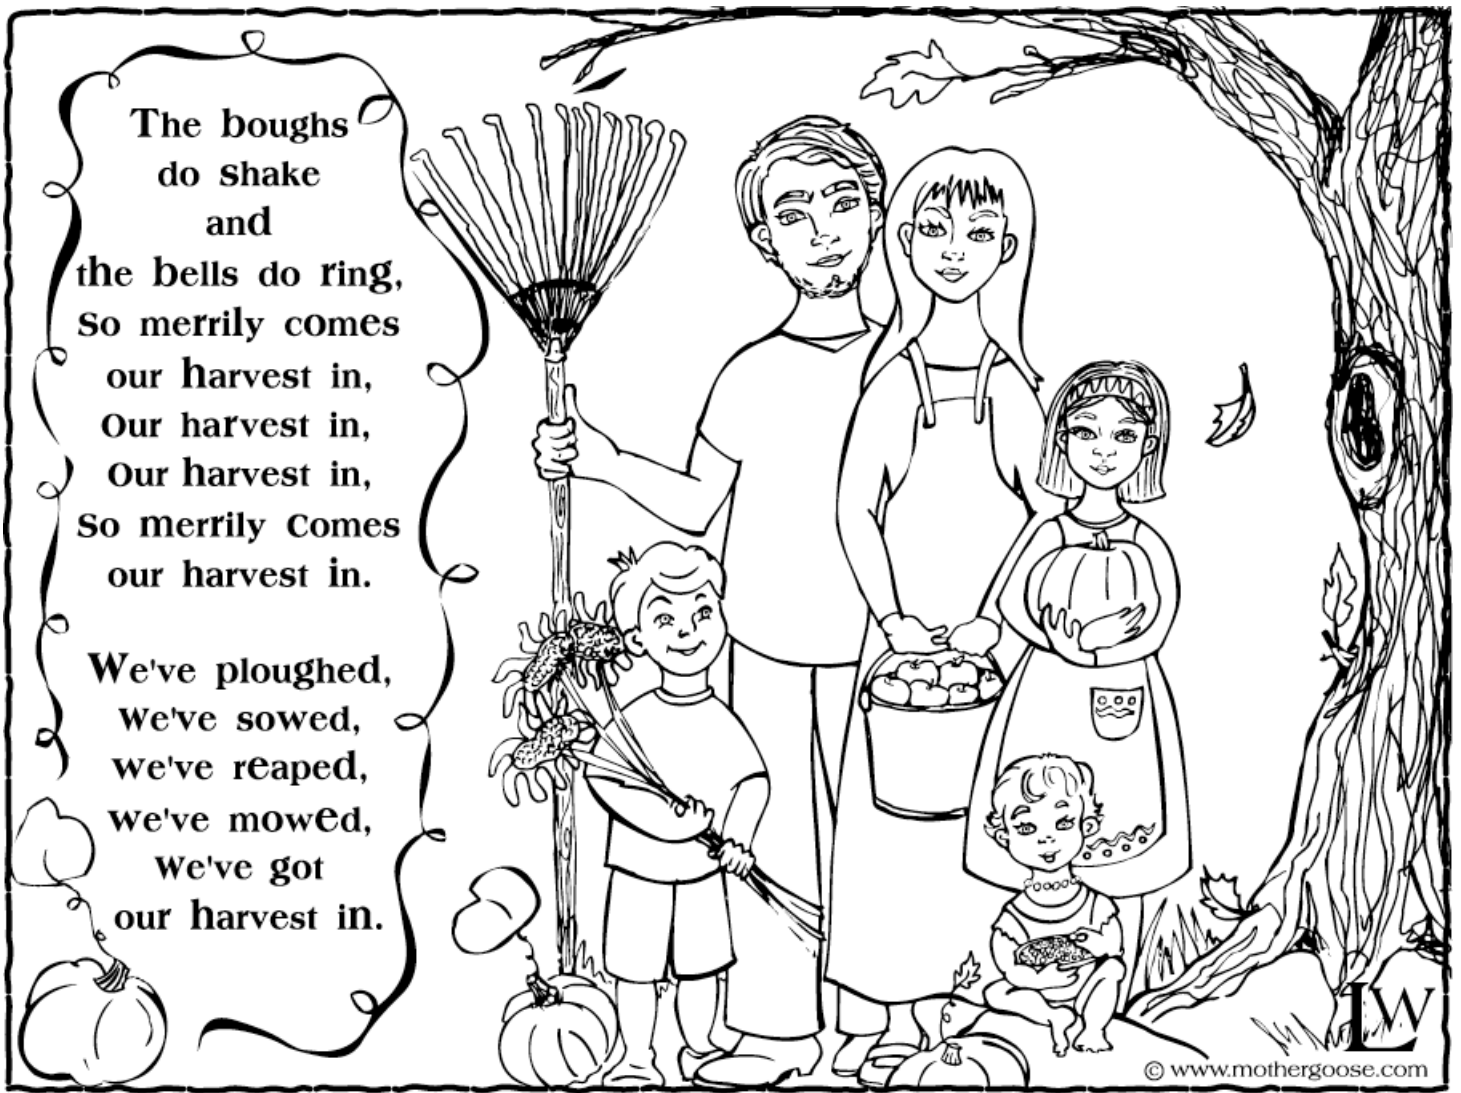

- Print the pages on heavy paper.
- Trim the cover and each page along the dotted line.
- Fold each page along the left-hand border of the picture to make a spine.
- Hold the spines together and staple in two places.

SUMMER

Make a four panel screen to show the four seasons of the year.

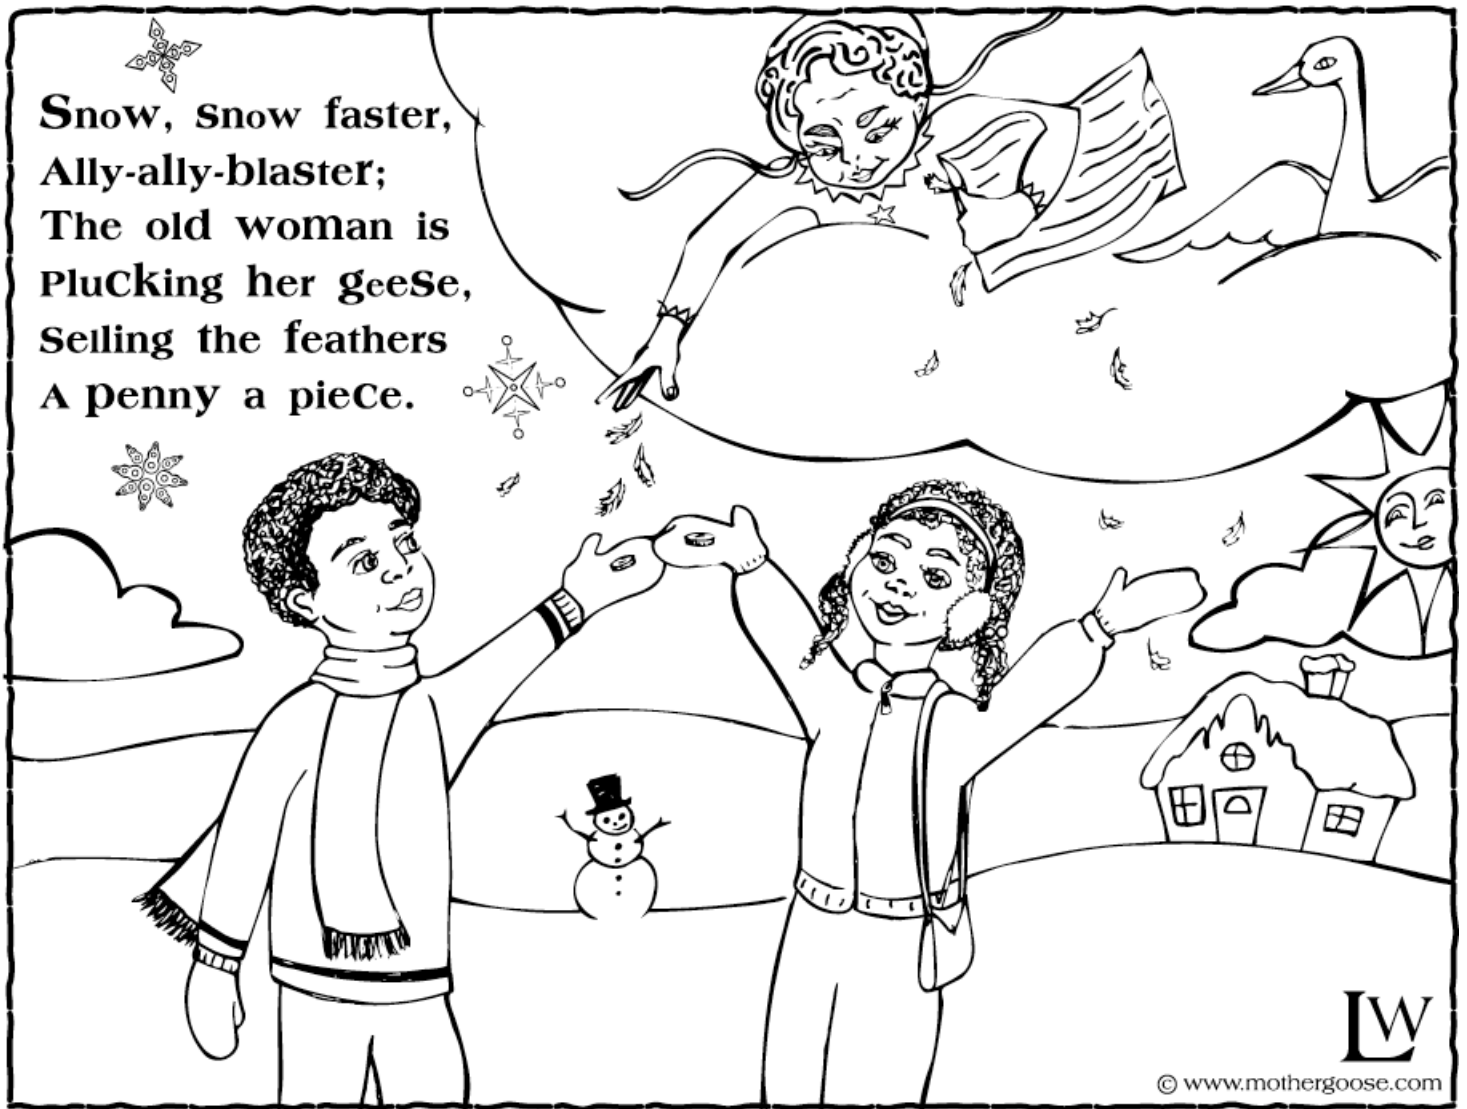

FALL

Print the pictures on heavy paper or mount the pictures on lightweight cardboard.

WINTER

Trim each picture along the black borders on the top, bottom and left-hand side, leaving the white paper on the right-hand side to be used as a tab. Join the panels by glueing each tab to the adjacent panel.
