

[Free Herb Pictures. com](http://www.freeherbpictures.com)

Herb and Wildflower Picture files free for personal and educational use for students, teachers, not-for-profit entities, and webmasters.

[Amazing Jewelweed Soap and Spray](#)
Nature's Solution to Poison Ivy and Oak

You can download and use herb pictures from this site as long as you link or visibly credit each image to this web site, www.freeherbpictures.com , or my main site www.altnature.com

and credit copyright to Karen Shelton. karen@altnature.com .
May be used on commercial as well as personal sites.

I also provide high resolution plant images for professional print use and an Herb Photo collection CD for small businesses who qualify. The CD has over 250 digital images in high resolution. To see thumbnails, [click here](#).
